2012-2013 School Year Payment Schedule

HOW IS MY TUITION DEDUCTION AMOUNT DETERMINED? Each enrollment status has a weekly charge. The weekly charge is then multiplied by the number of weeks in the school year. **(There are 39 weeks this school year, but due to the numerous out-of school days and Kids Club closings, you will only be responsible for paying for 35 weeks of tuition).** The total amount is then divided into 19 equal deductions. The last deduction of the year will occur on the first Friday in May. All other months during the school year will have two deductions, regardless of whether Kids Club is closed or school is not in session. It is very important to pay close attention to the scheduled deduction dates on the reverse side. Deductions will be on the **second** and **fourth** Friday of the month. If for any reason the second or fourth Friday should fall on a holiday the deduction would be taken out of your account on the following Monday. Please remember that deduction amounts will differ if you enroll your child on out-of-school and snow days. Snow days will be added to the next available deduction date within a reasonable amount of time.

Kids Club enrollment includes: homework help, breakfast, lunch (out of school days), snack, field trips, monthly site newsletter, family fun calendars, arts/crafts, science/nature, community service learning, cultural awareness and music/movement activities.
